

Camp Verde Fire District Firefighters
and SAFE Team Members will be in the
Verde Lakes area Saturday, August 16 as
part of our Smoke Alarm Installation
Program

We will start in the area off of Olive
Lane beginning at 9:00 AM until Noon.

We will be going Door-to-Door reminding
residents to check the batteries in their smoke
detectors. The firefighters also will offer to
check the detector for you or install a new 10-
year Lithium battery. If you do not have a
working smoke detector, team members will
install one for FREE!

If no one is home at the time we canvass your
neighborhood a flyer will be placed on your
door so that you may call us to schedule an
appointment.
